Dear Business Owner,

Corrimal Rangers Junior Soccer Club has been your local community club for over 50 years. We encourage all players to participate and be part of a team, develop strong bonds, represent our community with pride and enjoy their sport.

The soccer season is about to commence and we would like your support. We have a range of options for you to show support for your community club. These include:

Website Exposure & Sponsor of the Round - \$50

Choosing this option will enable you to post your business card onto our website. All registered players connect to the web to check on games, times etc and they will see your business advertised. You will also become a sponsor of the week for one of our weekend rounds where we will advertise your business at regular intervals over the public address system for Saturday and Sunday matches. The cost of this option it is \$50 a year

Strip Sponsorship - \$500

There are quite a few playing strips without sponsors. If you would like to have your business name on the front of a teams playing strip then this is the choice for you. Our team colours are red, black and white. All jerseys are red and white striped. The cost covers the application of the sponsors name and is there for the life of the playing strip. The current playing strip will be used for at least another three years. The club will provide a team photograph for display at your business.

Team Merchandise

Items such as drink bottles, boot bags, baseball caps, T-shirts can be organised in team quantities with club logo and sponsors name for between \$10 and \$20 per item.

One off sponsorship – your choice \$

If you would like to help and would like to make a one off donation, these can be sent to the club care of Corrimal Rangers Junior Soccer Club. Money donated will be used to replenish training or playing equipment or be used to provide children with team merchandise at our annual presentation. Feedback can be provided on where money is spent.

We encourage our local businesses to join our club and take pride in that you are giving back to the community.

Yours sincerely,

Reg Brown
